

## REACH Certification of Compliance for TTM RF&S Products

This document certifies that the following TTM RF&S products are compliant with **REACH (EC) No 1907/2006** legislation:

- ENIG or Tin-Plated Xinger-branded Components
- Wireless Resistive Components
- Anaren Integrated Radio (AIR) Modules

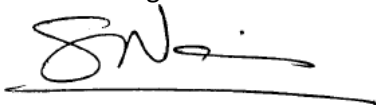

These products can be accurately described in the following manner:

- Are categorized as articles under current REACH legislation.
- Are not intended to release substances during normal or reasonably foreseeable conditions of use.
- Do not contain any of the **223 SVHC** (Substances of Very High Concern) described by the ECHA (European Chemicals Agency) on **January 17, 2022** at levels surpassing the threshold of 0.1% by weight.
- Do not contain any of the substances listed in the **54** entries subject to authorization of REACH Annex XIV as of **February 7, 2020**.
- Do not contain any of the substances listed in the **76** entries subject to authorization of REACH Annex XVII as of **January 24, 2022**. (Restrictions on the manufacture, placing on the market, and use of certain dangerous substances).

TTM RF&S actively works with suppliers to ensure continued compliance with REACH legislation. Furthermore, TTM RF&S remains vigilant in monitoring the SVHC candidate list for new additions. Should a newly added SVHC candidate be found in any TTM RF&S product, TTM RF&S will work diligently to move this product to immediate compliance.

I hereby certify that the information provided in this form is accurate and complete. I further certify that I or another representative of our Company will post notification through our distribution partners and/or our corporate website within ten (10) business days of determining that any information is no longer accurate with regard to the described part(s) covered in this document.
